“Communicating Compassionately”

A weekend foundation workshop based on the principles of
Nonviolent Communication
(Developed by Marshall B Rosenberg)

We all have a universal need to connect with ourselves and with others. This workshop offers a way of communicating that leads us to give from the heart. We offer a guide in reframing how we express ourselves and hear others. Instead of using habitual, automatic reactions, our words become conscious responses based firmly on an awareness of what we are perceiving, feeling and wanting.

Discover a way to:

♥ *Communicate compassionately with ourselves and with others* ♥ *Develop supportive relationships at home, at work, in the community* ♥ *Break patterns of thinking that can lead to anger, arguments and depression* ♥ *Resolve conflicts peacefully* ♥ *To be present*
